Parking Guidelines

Townhouse Residents

- **Although there are no assigned parking spaces, it is common courtesy to allow all homeowners/renters at least one space in front of their houses.**
- **Please try to be considerate, especially if your household has several vehicles. Try to allow ample room for someone to park next to you.**
- **It is advised that when you have guests they should use the overflow lot or park on the street.**
- **We live in an age where many families have 3 or 4 cars so please try to be considerate to those who may only have one car and would like to park in front of their houses.**
- **If you own a motorcycle try to allow sufficient room for others to park in front of their houses.**
- **There is also the option to park on the street if the overflow lot is filled.**
